

## WIAL working committees

**Affiliate Development** – develop and support new affiliates throughout the world  
International Affiliates – support for existing affiliates

**Marketing** – all aspects of marketing for WIAL

**Certification** – reviews and approves certification papers. Reviews and makes modification to the certification process.

**Research & Publications** – helps get AL research published / monitors what's happening in terms of publications and is creating a repository.

**Fundraising, Scholarship & Grants** – Fund raising - <http://www.wial.org/better-world> is where they are currently focused, but could use help in the other 2 areas – particularly grant writing.

**Coach Development** – how do we best support coaches and help / encourage folks to complete the process.

**Partners** – Partners are paying organizations (big and small) that endorse the WIAL method. Effectively, membership for organizations.

**Education** – keeps certification material fresh, currently working the next generation. Reviews and approves WIAL induced programs – programs with WIAL inside.

Committees are always on the lookout for motivated members to contribute to WIAL's growth. If you are interested, contact President Bea Carson at [bea.carson@wial.org](mailto:bea.carson@wial.org)
